About

Jewish Book Council

As the literary arm of the organized American Jewish community, Jewish Book Council's presence is felt in:

- the publishing industry
- the Jewish professional community
- Jewish Federations
- Jewish Community Centers
- synagogues
- libraries
- homes in North America and across the globe

Jewish Book Council is the longest-running organization devoted exclusively to the support and celebration of Jewish literature. Through an ever-growing list of projects and programs, Jewish Book Council serves as a catalyst for the writing, publication, distribution, reading, and public awareness of books that reflect the rich variety of the Jewish experience.

Jewish Book Council is the chief proponent of the English-language Jewish literary tradition, and the main address for information on the North American Jewish literary scene.

Advertising in Jewish Book Council's print literary journal, on the Jewish Book Council website, or through Jewish Book Council's weekly emails, ensures that your message reaches the precise community you need to inform. In any given week, Jewish Book Council reaches approximately 50,000 readers.

Paper Brigade

Jewish Book Council's annual literary journal, Paper Brigade, features in-depth articles, personal essays, interviews, visual arts spreads, illustrations, and more. Each issue provides a snapshot of the current Jewish literary landscape while also reflecting on the history of Jewish literature in America and abroad.

A new issue is released each December. Ad reservations are due by early August each year.
